

ADR Civil Settlement Conference Referrals

* Cases are tickled every first business day of the month--this is when ADR appoints judges *pro tempore* (JPTs). Approximately 100-150 cases are tickled for each rotation.

** Cases referred with less than 30-60 day deadlines: JPTs may be appointed upon receipt of minute entry

*** Appointment of JPTs: (Rotation is approximately every 45 days, however when the pending caseload increases, appointments may be set between 30-35 days)

>> Random appointment (by ADR notice) by using a database with JPTs sorted by last date of appointment
